

PARTICIPATION NATION

NEW WEBSITE

If you have checked out the new School Sport website in September you also noticed that Participation Nation has a new site. www.schoolsportsnl.ca/participation-nation. The site has the capability for you to register on line for the Participation Nation program by setting up your own school account. All you need to do is create your username, password, and answer the questions to create a school profile. The PN office will verify that you are a school within our province, send you an invoice if you have not paid the membership fee and then you are registered. Becoming a paid

member of Participation Nation allows access to our **Members Only** section on the Website. This section allows you to download our **Elementary and Junior High Activity Manual**. As well you can submit your requests for event rewards electronically at your convenience. Complete the reward request form on line to receive

your sticker, pins, certificates or pennants and the draw prizes. Currently there are only 18 schools that have created their accounts on line. The table on page 4 identifies your school status and if necessary create your account because you are entitled to the membership benefits. What are you waiting for?

STATISTICAL COLLECTION

Participation Nation is changing the way we collect statistical data for "IN HOUSE" series of play activities. When you request your rewards for these events we want you to do that after your first session within that activity. We want to know the following: 1) how many males per grade are participating? 2) How many females per grade are participating? 3) To find the denominator for those that are participating we need to know how many males and how many females you have in school per grade i.e., 4-9 (you need to do this only once)? 4) What was the requirement to earn that sticker or pin? I.e. the series of play for floor hockey occurred over three -30 minute sessions. This data can be completed with the reward request on line form that can be electronically sent-it's that simple. Program evaluation is a critical piece in order to make accurate program based decision, and statistical reports to funders. Please take the time to complete the rewards requests on line.

SCHOOL SPORTS NL SPORT STARS PROGRAM

SEPTEMBER-NOVEMBER 30TH.

The SSNL Sport Stars Program allow you to gain points for your school while participating in a Participation Nation Junior High Festival of Sport or a Jamboree. If you are a K-12 or a K-7 school and you host a Jamboree or a Festival of Sport you receive 25 points. If you attend a Jamboree or a Festival of Sport you receive 15 points. The event must be sanctioned by the PN office weeks in advance of the event in order to accumulate points. Points will be awarded only when event reports are sent back to ensure we allocate points to the correct school. As of November 30th the following schools have received the points displayed in the Table to the right. These points will not appear on the website calculation but are factored into the master point system at the SSNL office.

School	Points Awarded	School	Points Awarded
Smallwood Academy	25	Holy Cross School-Complex	15
Phoenix Academy	15	Glovertown Academy	15
Lakewood Academy	15	French Shore Academy	25
Gill Memorial	15	Canon Richards	40
Pearson Academy	15	Viking Trail Academy	30
Riverwood Academy	15	Dorset Collegiate	25
Valmont Academy	15		

Not to late to order your program rewards for events that you did during the fall.

- **We have Cross Country Walk and Run Certificates for your entire student body. Just call to order the amount needed. Great way to acknowledge school walks for Terry Fox, School Breakfast Programs, and fundraisers, Healthy Commotions. No cost for these 5x 7 certificates.**

Members Only

- **Order your elementary / junior high certificates/pennants and stickers/pins for your in house activities you completed during lunch or after school. Remember with stickers/pins earned students get a chance to win from the prizes we send.**
