

ATHLETIC CALENDAR 2018-2019

Note: The Following information can also be found in this handbook, but is being referenced here as an important reminder for SSNL Tournaments.

SSNL Tournament Playing Time Frame

SSNL Provincial Tournaments are permitted to start no earlier than Thursday 5pm and end on Saturday. Any exception to this time frame must be approved by the SSNL office and in the case where instructional time is affected, by the school administration. All individual school travel must be pre-approved by the school principal with a view to minimize the loss of instructional time.

SSNL Qualifier Tournaments are permitted to start no earlier than Friday 4pm and end on Saturday. Any exception to this time frame must be approved by the SSNL office and in the case where instructional time is affected, by the school administration. All individual school travel must be pre-approved by the school principal with a view to minimize the loss of instructional time.

Sport Declaration

Schools must 'declare' whether they will be participating in any sport that has a Qualifier and do so by an established "Declaration Date." You contact sconnolly@schoolsportsnl.ca to declare.

There will be a school fine of \$100 if you declare you have a team in that sport and then not participate in the Qualifier. Any school that did not declare that they have a team by the deadline and still wishes to register and play in the Qualifier will have to pay a \$50 fine. Exceptions to fines will only given if deemed valid by the Varsity Council.

These Declaration Dates are different from registering for a Qualifier Tournament and are in place in order to make the entire process of being prepared at both the region and office level for tournaments more efficient and also to stop delays from creating problems for hosts schools and participating teams.
