

SSNL Official Equipment

This is the list of SSNL Official Equipment that is to be used for the 2019-20 Varsity season at SSNL Tournaments. SSNL will once again provide the Official Equipment for every Provincial Tournament and will do our best to provide for all Qualifier Tournaments as well.

Note: Any changes below in “Official Equipment” comes from feedback from our membership and is reviewed by the Sport Advisory Committee of each sport. We will always continue to have the Official Equipment of that sport from the previous year being phased out also be eligible for use for 3 years as we appreciate the cost of purchasing these items for your school.

*Skyline is an SSNL sponsor where you can get discounts and provide SSNL with benefits, which we use to purchase Official Equipment for our tournaments. Code: SSNL2018
