

## ATHLETIC CALENDAR 2019-2020

**Note:** The Following information can also be found in this handbook, but is being referenced here as an important reminder for SSNL Tournaments.

### **SSNL Tournament Playing Time Frame**

**SSNL Provincial Tournaments** are permitted to start no earlier than Thursday 5pm and usually end on Saturday. Sundays are permitted to be used if needed and are usually for weather/scheduling issues. Any exception to this time frame must be approved by the SSNL office and in the case where instructional time is affected, by the school administration. All individual school travel must be pre-approved by the school principal with a view to minimize the loss of instructional time.

**SSNL Qualifier Tournaments** are permitted to start no earlier than Friday 4pm and usually end on Saturday. Sundays are permitted to be used if needed and are usually for weather/scheduling issues. Any exception to this time frame must be approved by the SSNL office and in the case where instructional time is affected, by the school administration. All individual school travel must be pre-approved by the school principal with a view to minimize the loss of instructional time.

### **Sport Declaration**

Schools must 'declare' whether they will be participating in any sport that has a Qualifier and do so by an established "Declaration Date." You contact [sconnolly@schoolsportsnl.ca](mailto:sconnolly@schoolsportsnl.ca) to declare by the deadline.

These Declaration Dates are different from registering for a Qualifier Tournament and are in place in order to make the entire process of being prepared at both the region and office level for tournaments more efficient and also to minimize delays and problems for hosts schools and participating teams.

### Foundation Sports

\*"Foundation Sports" criteria can be found in this handbook. Foundation Sports are regionally based until their participation raises enough to reach Official Status and hold a Qualifier and Provincial. There is flexibility in Foundation of when each Region hosts their tournaments so for this reason, it is not listed on the main SSNL Athletic Calendar. Contact your Regional Director if you wish to host and/or participate in a Foundation sport tournament and they will facilitate the best date to hold your event in order to maximize participation in your region. SSNL provides awards for each Foundation Tournament.
